

# BERTL'S BEST 2008

13th Annual Awards

## **Best Feature Rich Workgroup Colour MFP Range**

**Toshiba  
e-STUDIO**

**2330c/2820c/3520c/4520c**

- Next generation e-BRIDGE Open Platform offers enhanced document security protecting the document workflow all the way to the network. The series includes Secure PDF, supports printing from and scanning to a USB flash memory drive.
- The new colour MFP series supports full-colour banner printing of sizes as large as 305mm x 1200mm with excellent colour clarity, rich text and superior graphic detail in colour printed documents.
- TopAccess Internet Services Suite provides automatic e-mail alerts when the system requires attention and provides an easy-to-use detailed system and consumables status.
- With a print/copy speed of up to 45 pages per minute in both Full Colour and Black-and-White, and a scan speed of up to 57 pages per minute, the e-STUDIO Colour Systems dramatically enhance office productivity.
- Wide media flexibility including paper size from A6R to 320mm x 460mm and paper weights from 64g/m<sup>2</sup> to 280 g/m<sup>2</sup>.
- Standard AES encryption scrambles the data on the hard drive and the optional Data Overwrite function securely erases all data – leaving no traces behind.
