

Toshiba e-Studio200s Desktop Copier
Multifunctional Photocopier and Colour Scanner

Datasheet

Document Manager

- The e-STUDIO200s helps you achieve more, combining printing, faxing, copying, and colour scanning functionalities on just a corner of your desktop - compact performance.
- The system design focuses on reliability and consistent Black-and-White laser image quality at a 20 ppm print speed - quick and powerful.
- Ask for more, and get within an arm's reach any solution you need to optimise your workflow, in an intuitive, self-explanatory way - conveniently easy.
- The integrated colour scanner is used to create digital images of 4,800 x 4,800 dpi maximum resolution. GDI printing functionality produces poster-print and fit-to-page functionalities.
- The Toshiba 200s meets environmental standards of Energy Star, WEEE and RoHS energy efficiency, making it a perfect companion for the small office or home business. - environmentally friendly
